“ *Our prayers go out to Rob, Shari, Will, Jess, and Ian on the loss of not only your dad but of your mom, Joannie. They were our most caring and generous neighbors and we are proud to have been close friends of such a close and warm family. We will sorely miss them but cherish the strong heritage of family values which they have passed on to their beloved children. Hal and I were so happy that Sid was able to come to our house for Hal's 73rd birthday and for the visits we had with him before he became so ill.*

“ Our thoughts & prayers are with the Ossakow family. We have fond memories of Sid as he enthusiastically coached & encouraged young boys on his soccer team. Sid was a very special man and will be missed a lot. So much love for a life all too short!
