*“ I've known Sigrid for over 25 years. We were close work friends and while I was in the Boeing Rosslyn office, we spoke nearly every day. Sigrid was, as everyone on this guestbook has been describing, a very special person. She worked very hard - often for very little recognition - but her work ethic was in her nature, as was her helpful and friendly attitude. I was shocked to learn of her passing. We have all truly lost a beautiful lady.*
