“ Tante Susu, I love you so much! You always were so important to us. You helped fill the void I always felt from not having my mom and dad here. Your home was one the most welcoming and warm homes I have ever been in. You and Amo Charles made it that way. No money or material things can ever make a home feel the way you and him made it feel for me and Fadi. Thank you for being who you were and thank you for leaving behind such beautiful memories. Thank you for sharing the memories you had of your earlier life with us and for loving the way you did! I know you are now finally reunited with our beloved Amo Charles and that you are finally at peace. Until we meet again my dearest aunt!! Lili
