“ You loved me when I didn't have anyone to turn to. You listened to what I had to say when I didn't know who to talk to. You didn't hesitate to vouch me financially and didn't even mind to take out your ring to rescue me temporarily. Not everyone around you may know about this but I will forever remember you for a unbounded giving. I love you, Imo.

There are no words that can truly express our sorrow and sadness now. However, as we wipe our tears, we take great comfort in the fact that you are no longer suffering. You were and will always be an amazing woman. Please know that we will never forget you in our hearts and prayers.*
