“ *A scene, an aroma, a feeling can rekindle memories of your loved one and with the memories, the pain and tears may return. In time, the memories will become a precious source of joy. But until then - the Lord will comfort you.*

“ Roberta, Susan and families ~~ Know that I am with you in spirit as you go through the grieving process of losing your dear mother. You both shared so much having Sophie live with you and share your daily lives. What a blessing to have her so close and seeing her grandchildren grow up! ~~ Cherish the memories you made with her as no one can take them away from your hearts. Hugs from MN!
