“ *My shock and sadness, when a mutual patient of Stephanie and I just informed me of her passing recently, is still very challenging to absorb fully...Steph will remain one of those para-professionals and friends I look up to and respect in so many ways-both professionally and personally! As my long lost friend Dr. Stephanie Giorlando stated previously, her smile brightened the spirits of everyone around whom experienced her presence and talents! I will only Pray for Her Soul to Rest in Peace and that her Spirit Lives on for all whom now attempt to heal both emotionally and physically...Best Wishes and Regards, Charlie Crone, CP, Hanger Clinics, Fairfax, VA*

“ *I am at a loss for words to describe how I feel about the loss of Steph.
Knowing how much love Steph had for her family and the kindness she showed to all the many lives she touched brings a smile to my face each and every day. I will always remember the wonderful times our families shared.
May she Rest In Peace.*

“ There are no words that we can express to show how we feel about the loss of Stephanie. Steph was a smart and bright shining light with a radiant smile that brought kindness and happiness to all who knew her.

Steph, Matt, and their beautiful children as well as the Schwartz's are a very special part of our life. We will always be there for all of them.

May her memory be for a blessing.

Rest peacefully.

“ I met Steph in 10th grade (she was in 9th) and boy did she not like me. But I grew on her and we wound up being very good friends all through high school. Infact, her best friend wound up being my roommate

For a couple years. She was such a good person and will truly be missed. Thoughts and prayers to her entire family. She's looking down on you guys with that infectious smile that she always had. R.I.P. Stephanie.

“ Dear Matt and family, we are all so sorry for your loss of Stephanie. I was so fortunate to have met her when you were traveling a couple of years ago. I remember telling Dayna and my Mother how impressed I was of your beautiful family. She was such a wonderful girl, I felt like I had known her for ever. I just want you to know our hearts go out to you Matt. I hope to see you and the kids again soon but just know we all love you and you are all in our thoughts and our prayers. Sincerely, Gary and the Conn family

“ Steph was the brightest and kindest physical therapist I've had the privilege to work with...
She radiated joy at all times...
Steph's smile will never leave my memory...
I am praying for her and her family...
God bless you, Stephanie Giorlando, D.O.
