“ *As part of the Army Management Staff College fraternity and family, let me express my deepest condolences on the untimely and tragic passing of a good man, wonderful Army officer and leader, and a tribute to professionalism at work and in life. Colonel Dougan was a class act, and his innate goodness and high standards in the classroom and out helped shape my approach to duty. He is missed, and will be so long into the future. May his family find peace in knowing what a tribute his life was to God and the goodness of love. With deepest respect, Dr. John Harrison, Lorton, Virginia.*
