*In March 2020, he is out to help neighbors who are away. He and his family did the same for our family during a huge snowstorm. He didn't wait to be asked, he saw what was needed and generously gave his efforts. I cannot put in words how much admired, respected, and loved he was while here. A builder of the Kingdom of God here on earth, may he rest in God's love and peace.*

“ Dear Jean, Steven, Becca and Matt,  
Rick and I send our deepest condolences. We too feel like we have lost a family member, but have comfort in knowing he is pain free and waiting for you.  
Steve was a true professional with a smile always. We have so many fond memories of our times with your family, Ft. Campbell, Ft. Leavenworth, Hawaii etc. When we hear "watermelon crawl" we have to laugh. Steve always refused to line dance to that 'sissy' song...And when he drove up in his Harley at Schofield Barracks to give our oldest son a ride for this 16th birthday...  
We have contributed in his name to the Special Operations Warrior Fund. Close to his heart and to ours.  
Keeping you all in our hearts and prayers.  
Love,  
Rick and Robin Clapp

“ *I was not only a better officer, I was a better man because of the Hoog. He will always be a shining example of military professionalism. On the human side, I will always smile remembering him on the dance floor with the Fabulous Woody spinning records in the background.*

“ Jean and Family,  
Bobbie and I send our prayers and blessings to you and your Family during this very difficult time. We fondly remember our sons playing sports together at Carlisle and Steve being the booming voice cheering the kids on. Steve was a very special Leader, who cared for his Charge and his Family. When Danny was with the IED Task Force he had the privilege of working with Steve in the Pentagon and in Reston and only has the best of memories. We wish you and your Family strength and love and wish God grant you peace and happiness.

“ Jean,  
Connie and I send our deepest sympathy to you and your family. When I hear "Army Ranger" I always think of Steve because to me he epitomized the title "Ranger". But I know that was only a small part of his life...the most important was husband and father.

We look back on our time in Seminar 14 at the AWC with fondness....we could not have been in a better Seminar and both you and Steve helped to make it one of our best memories.

Love Connie and Steve Baird
