“ I only recently heard that Steven Ray Myers of Middletown (my name for him) had passed away some years ago. He was a very important person in my life, especially in my high school years in Newport. We went steady one summer and remained wonderful friends until we went off to college and other lives, losing touch with each other. He was a gentle and loving blessing to this world.

“ My prayers go out to your entire family in this time of need. I understand the sorrow and pain you are suffering and the deep hole in your hearts this has left. The Lord will watch over you bringing you through this and helping you as every day passes. Although I did not know Steven, I know Dave and highly respect him. I will keep you in my prayers. “ Joanie - Mary - Carolyn - Reilly....we will miss him so much ... and we know that you'll miss him a hundred times more. What a guy, what a life, what a friend. We thank God and you for sharing him with us for the past 30 years. It all started at 2204 N. Pickett Street... evenings of SNL, Monty Python, LOTS of food and drink, chips and Steven's homemade guac(amole!)... Ed and Lorayne, Carl and Joan, Sylvia and Chris, Ella Beth...oh yes and "I-see-you-have-Lowenbrau-Dave"... Then we grew up more and shared our kids and their birthday parties and many family dinners and theatrical endeavors. Our kids have grown up together and we have started to grow old together. Hey!!! Didn't Steven KNOW that he had about 50 years more he was supposed to be here with us - rocking on that porch by the lake? Now we'll have to content ourselves by telling Steven stories instead of having him with us. We love you and will always be here for you. God bless Steven and you all. Mucho love, Bethie, Billy, Katie, Brian and McCall
