“ Dear Gail and Family,
Here is a song for you.

Death Was Arrested

*Alone in my sorrow and dead in my sin
Lost without hope with no place to begin
Your love Made a way to let mercy come in
When death was arrested and my life began
Ash was redeemed only beauty remains
My orphan heart was given a name
My mourning grew quiet my feet rose to dance
When death was arrested and my life began
Oh, Your grace so free
Washes over me
You have made me new
Now life begins with You
It's your endless love
Pouring down on us
You have made us new
Now life begins with You
Released from my chains I'm a prisoner no more
My shame was a ransom He faithfully bore
He cancelled my debt and He called me His friend
When death was arrested and my life began
Oh, Your grace so free
Washes over me
You have made me new
Now life begins with You
It's your...
Love you,
Hui*

“ Gail,
Pray for God's comfort to our dear friend Gail according God's promise! Jesus said, :*"I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: 25 "I am the resurrection and the life. He who believes in me will live, even though he dies."* John 11:24-25 Your hunsband is in heaven with Christ forever! We'll all meet there someday in the faith of Jesus.

“ Dearest Gail and Laura,
We are very sorry for your loss. Our thoughts and prayers are with you and your family. Words cannot express our sadness. May the comfort of God help you through this difficult time.

“God is our refuge and strength, a very present help in trouble. Therefore we will not fear though the earth gives way, though the mountains be moved into the heart of the sea.” ~Psalm 46:1-2~

“ *Laura,*

not too long ago, I shared my pain with you, about the passing of my father - we all have to leave at some point, and it's always harder for the people staying behind - Dad is in a much better place now I'm sure - wishing you all the strength and love during these hard days - they're always in our hearts and memories, and never really gone !!

*Luv and hug you,
Sasha*
