“ My family and I loved Stuart; he was very kind to my children and family and shared lots words of wisdom with them. Stuart made certain he always congratulated them on their achievements, Stuart was the type of person that made lemonade out of lemons. Stuart was a great inspiration to many. My brother Gus spoke with Stuart this past Saturday and he told Gus to let me know what a wonderful family and children I have. I was speaking with the mail carrier this morning and he told me how caring and generous Stuart was, he never forgot him during the Holidays and even when the mail carrier was sick Stuart was very generous to him as well. Stuart was a truly caring person, my children and I will miss him. Wishing Tanya, Jasmine and his family the greatest strength to endure such a tremendous loss, Love, Irene Sarakinis and Family

“ The world has lost a gentle soul. Stuart was the most generous and thoughtful person our family ever has known. He embraced us into his world, never forgetting a birthday or holiday, never missing an opportunity to congratulate, and always ready to offer a helping hand - no day or time ever was inconvenient. It was unthinkable - it still is - that he would be gone from our lives so soon. Tanya and Jasmine, may you find strength in your memories of him and with the knowledge that he lives forever in so many hearts. May his love bless you forever.

“ Dear Tanya and Jasmine, Stuart touched a lot of lives. He left behind a legacy and a fine example of friendship. Despite being extremely busy with his own obligations, somehow, he always managed to make the time to call each of us with a special birthday wish. He also took the time to call my parents regularly and to stop by to check on Dad (WWII C-66 Veteran â€œMusclesâ€) once in a while on his way home from work, though we know it was a bit out of his way. He was persistent in looking for ways to offer help. He did this with so many others too. How he found the time, we could never figure out. Stuart had such a big heart, and certainly made the most out of the short time here with us all. We will, no doubt, miss him. The warm, meaningful memories he made will not be forgotten. Iâ€™m quite certain that everyone who was touched by Stuart would agree with me in telling him (if we could) to rest assured that, in return for all of the good will that he spread around, we will all be here for you, Tanya and Jasmine. Hugs, Caroline Emery, residing in Jacksonville, Florida (Daughter of Weston and Brigitte Emery and sibling of Christine, Eric and Wendy Emery.)

“ Tanya and Jasmine, We extend our deepest sympathy on your profound loss. Stuart had a way of touching each heart he encountered, bubbling over with kindness and hope. We recall our first meeting with Stuart at a 12th Armored Division reunion as he searched for information about his uncle. He was excited to meet so many of his uncle's fellow soldiers. His enthusiasm was contagious! Stuart embraced these men as family. We all embraced Stuart as a treasured member and enjoyed meeting both of you, as well. Stuart's' endless energy and passion to give his uncle the honor he deserved exemplifies his love of family and country. Stuart will be sorely missed, and always remembered and celebrated in our hearts. Tom Wood, Bill and Peggy Anne Vosseler 12th ADA, C-66
