“ *Suzie was the first friend that I can remember, when we all lived in Bangkok. I remember pool parties at her house (Slipper, the dachshund stealing beer and falling in the pool), and sleepovers, and going down to Hua Hin horseback riding and playing at the beach.*

*When we were teens, we met up in Boston, and went dancing at clubs there. Then, the internet allowed us to reconnect after many years and share photos like the one here.*

*I will miss her grin.*

*This photo shows Sid and his mom on the left, with my younger brother in front of them. My dad and mom are standing behind Suzie and me (I'm the short one).*

“ *This is Sidney, Suzanne's brother. When we were little I used to get her to do stuff for me, like get me a coke or cookies, by threatening to tickle her! Worked really well till she got older and smarter!*
