“ *Miss you so much, dad. I hope you continue to watch over all of us from above.*

One of his favorite hobbies in Delaware was to farm for oysters. Didn't matter if it was hot or cold outside.

“ *I am sorry and will miss Terry's laugh and the talks we had on the porch. I used to love the way he rode the lawnmower and had a smile as if he really had fun then getting the toys out and running them around the yard. You will be missed*

*My prayers will be with you all

“ Terry was my best friend growing up. Throughout middle school and most of high school we were inseparable. My first 1000 miles on a motorcycle were with Terry. I was the shy one he was the loudmouth badass. His mom June was a saint, she was my mom when I didn't have one. I was there when he broke his arm and cut off his finger (motorcycle chain) while we were riding 2 up on his Yamaha 60. The best of times, the worst of times. Though we chose different paths as adults and have only seen each other once since 1980 I'll always think of him as my best friend. Rest easy and good fishing brother. Hope to see you on the other side.
