“ *I worked for the Bureau when I was a young man (ident. div.). Later became a Baptist missionary in Homer, Alaska. I had a man in my church of whom Agent Frazier made a case in the 1960's. John Conners, (aka. Paul Lape) spoke highly of Thomas Frazier and said the event changed his life. Through this John became a fervent Christian until the day he died. He was truly one of Agent Frazier's success stories.*

“ To Tom\'s family,
My sincere sympathy to your family. I will keep Tom and your family in my prayers. I served with Tom in the FBI. I remember as a young agent, how Tom provided assistance and counsel to me on many occasions. He was always the voice of reason, always upbeat about the issues at hand, and always smiling. After we both retired I looked forward to seeing him at our luncheons. May he rest in peace. God bless Tom and your family. Bill Guyton, Kure Beach, NC
