“ *I met Tom 48 years ago when he hired me at ASC. He gave me confidence when I had none and enabled me to have confidence in myself. To say he was a mentor is to not enough. We stayed friends over the years even though I had moved to South Carolina. I made a special trip to spend time and have lunch with him last summer, which gave me the opportunity to tell him how much he meant to me and thank him for taking an interest in a young man looking for himself. Hls daughters, I know ,are proud of him and will miss him greatly . We all will.*
