“ I worked with Tom at DLT the past 3 years and consider it a honor to have known him. You will never find a more honest, hard working, and likeable guy than Tom. Tom and I shared many fun memorable experiences that I will never forget. Tom was a loving family man, a loyal friend, and a great coworker. Tom's charisma and sense of humor will be sorely missed. Thanks for all the great times Tom, rest in peace.

“ I met Tom while working at DLT, but he was more than just a coworker to me, he was my friend. Tom was truly an amazing man who loved his family and friends tremendously. Tom was so funny, and even when he was mad about something he still found humor in that situation. My fondest memory was while on the team trip to Cancun this year. My daughter became ill during the trip and I was extremely upset because I couldn't be at home with her. Tom was there to let me cry on his shoulder and lifted me up with encouraging words. Without his friendship I would not have been able to get through that trip. He was such a wonderful man and I will never forget him. Many prayers go out to Cookie and Kyle. May God lift you up and comfort you during this time.

“ Your gracious wit and charming flirtations will be missed by many. It pains me that you will not meet my son; he would have loved your accent and laughter. My thoughts and prayers go to all who will miss you. Kyle, never forget, your father was so proud of you...he talked non-stop about how intelligent you were. Take that knowledge with you as you move forward in life. - Eva, Josh and Charlie

“ Tom was a fantastic type of co-worker, who seemed to wear his heart on his sleeve. He was always quick to laugh at a joke, didn't mind correcting a mistake or two, lend an ear, or pay his gratitude for a job well done. His quick wit and his infectious laugh will sorely be missed. Tom, may you rest in a peaceful slumber on earth while you enjoy a new life in heaven.

“ I remember when I first met you at DLT. You were the type of person people like instantly! Your humor was one of a kind, like you. You were a blessing to so many, and made the workplace a brighter place. I can't recall you ever complaining. Yes, you were a rare & unique person Tom Kiley and we are all suffering a great loss without you! I will continue to keep your family in prayer through this very difficult time.

“ I was deeply saddened to hear of Tom's passing. Though, I knew him only briefly over several years at work it didn't take long for me to respect the kind, friendly and humorous person that he was. When in jest I told him that he owed me by giving thanks to me over the Thanksgiving turkey, I should not have been surprised that Tom not only did this, but recorded it on his cellphone. Godspeed Tom Kiley. You'll be sorely missed.

“ Tom was an awesome person and was family to everyone at DLT. I first met him after he had been at DLT for about two weeks and I kept hearing these crazy conversations this new guy that sat on the other side of the wall from me was having and his crazy Boston accent! I had to go introduce myself because I've never heard anyone talk to Oracle reps the way he did and his conversations with COOKIE!! HAHAHA I love him! He made me smile every day and always made a point to say hi to me every single day whether he had business to discuss or not. I miss seeing you and wish I could have you sitting at my desk right now Tom, talking smack to Timmy or Madison via AIM. I'm glad you're in a better place, but am selfish because I miss having you here! It's hard not to feel that way. I love you and am glad I had the pleasure of having you in my daily world for the short 3 years I did.
