“ *Tommy was such an amazing gentleman. No matter what curve balls that life threw at Tommy, he smiled and kept going. After I moved out of state, I still come back to visit my Mom twice a year and go to bingo. The best part of going to bingo was the smile and hug from Tommy that was always awaiting me. RIP fine sir... I will always carry you in my heart. We love you Tommy...RIP*

“ *Uncle Tommy sorry to see you go. Cousin Donna - our hearts go out to you (sister Frances' family). Loved seeing the family get together and know the wonderful legacy to family and friends that each member of the Mock Family left behind. I know my mom (your sister) who passed in July smiled when she saw you in heaven.*

Loved the memories of all them together. He and Aunt Delores were the best. Will keep you and your family in my prayers. God bless you cousin
