“ *Tom was one of the funniest people I've known. One time we went camping in the blue ridge mountains and he got stuck with the flimsy tent. It was very windy and cold. He was cracking jokes the whole time.*

He also was the fastest driver on the road. I'm going to miss him. I was planning on catching up with him the next time I was in town. Two hours after the thought, I found out that he had passed away. My prayers are with him and his family.

“ *No one was funnier in physics class, or anywhere, really. Tom was a good kid and I am so saddened by his illness and passing. I remember him cutting weight for wrestling once and we drove straight to Pizza Hut where his 98 lb body ate more pizza than anyone ever should! It was fun watching him wrestle- so skinny but very strong and fast. I am sure he made the most of his time here.*

“ Wow, what a shame. I was friends with Sung for quite a few years. He was a really nice guy, loved fishing as I remember, way too young to leave this earth. I am truly sad for the family and all his friends. Rest in Peace Tom.
