“ Tom was my Uncle Daddy Tom. He stepped up 18 years ago when my dad passed! There wasn't anything he wouldn't do for you. Him and I had a special relationship! He would give me a bad time but in was all in love! I miss his good morning texts already, I will miss him coming to the beach, going and listening to music and his quizzes on the music playing. We loved going fishing, even though we were just happy being out on the water and didn't care if we caught fish. I will him always wanting to get crabs and sit on the back porch talking and laughing and picking crabs! I know he is up in Heaven with his parents and my parents and pulling all kinds of shenanigans!
Rest In Peace Uncle Daddy Tom, love ya!

“ Thomas Peregoy is my father he taught me how to ride a bike, fish, drive a car , helped me with my homework and anyone that he came into contact with,knew that if he liked you there was nothing he wouldn't do for you. He was a father to anyone that needed it. He is my heart and I keep waiting for him to say watch this “hold my beer”

I had the pleasure of working with Tom for many years during our association with CCA. He was a Master Installer first, then a trusted Field Supervisor. He and his crew were given difficult jobs, those that required precision and exacting standards. He was important to our continuing success and reputation for impeccable installation. As a supervisor, he pointed out the mistakes of others and demonstrated how to correct; and he did provide site training to many that did not have his experience. It was always a pleasure to watch him work; I slept better at night knowing he was on the job.
