“ *Dear Mrs. Hegarty and Children, I, too, go back to those high school years with Tim. We've had so many classmates down through the years, but Tim'e South Provbidence swagger and smile have stayed wtih me down through the years. His name often came up in conversations- even after these years. My thoughts and prayers are with you, Bob Beirne*

“ *Dear Mrs. Haggerty and all Family Members: A bunch of us go all the way back to the class of 1952 at Our Lady of Providence Seminary in Warwickneck, RI. I remember Tim to be a very bright, vivacious person with a broad, Irish smile and a full body laugh. He was a better than average athelet also! But most of all he was admired by school mates and faculty for his friendship and fellowship. May his good soul rest in peace. This morning I offered Holy Mass for the repose of his soul and for each of you who now mourn his passing. God bless you in every way. Fr. Joe Protano*
