

Timothy Patrick O'Brien

April 14, 1953 - March 11, 2022

Tim is the son of Mary Catherine and the late Robert Joseph O'Brien; brother of Robert Joseph O'Brien, Jr., Maureen K. Brooks, Kathleen "Kitty" B. Bailey, and the late Patricia Shawker; uncle to Brad, Judd, Josh, Katie, Bridget, and Emily; great-uncle to Kyra and Aubrey; nephew of Catherine Bradley and Mary Lou O'Brien; also survived by a host of cousins, extended family, and many close friends.

Tim lived in Virginia Hills since he was three years old. The O'Brien family bought the house on Ronson Drive in 1956, and Tim always loved that neighborhood. The O'Brien family asked the families that were directly in the Ronson Drive block to sit in the family section. Tim's passing has led to reflection on the Virginia Hills neighborhood, and all of the amazing parents that always looked out for all of the kids' best interests, at all times. If your last name is Fagan, Pasquariello, Jackson, Mays, Rodgers, or Gillespie, you are part of the immediate block of neighbors.

Tim owned a home improvement business, and he was a trained chef.

Tim's sobriety played a major role in his life. By the grace of God, the Crossroads Residential Treatment Center, and a mother that never gave up hope that he could turn his life around, Tim was given 22-½ years of a productive and happy life.

Tim's memory and spirit will live on through his family, friends and those whose lives he touched.

In lieu of flowers, contributions may be made in Timothy's memory to Crossroads Residential Program, check made payable to: Crossroads Alumni, and mailed to 6901 S Van Dorn St, Alexandria, VA 22315.

“ *I will so miss my dear friend Tim. We spent many happy hours sharing recipes and cooking great food. I do not know which I liked more - his BBQ sauce or his hot peppers. Tim had a great sense of humor - who will now bring a laugh to my day? Tim clearly enjoyed life and I am so proud to have been his friend.*

“ My uncle timmy was pretty cool. He would let me have food while he was cooking on Thanksgiving and always let me play with his awesome pinball machine. And when I was dating my husband ricky, he pulled him aside and warned him not to hurt me. He will be missed.

“ *Timmy and his family were our next neighbors on Ronson Drive dating back to 1963. Timmy was a character that we all loved and will greatly miss. Even though he could come up with some zingers of nicknames, we loved him. We always believed in Timmy. He had a great heart and would always be willing to help his neighbors and friends. Timmy O'Brien WAS VA Hills! Rest in peace our dear neighbor and friend. With much love, The Pasquariello Family.*

“ My condolences to the family. Spent years as his neighbor, traded work, played a number of his guitars, loved his peppers/BBQ sauce and he always had the best jokes. RIP, Tim.

“ Tim and I met when we were teenagers at the Howard Johnson's Restaurant, I remember the exact time I first saw him because he always made an impression on people with his smile and Baritone voice....
I moved away a long time ago but somehow we always seemed to stay in touch.....
He will be remembered as a kind soul with a big heart who would help if he could, His booming Laughter and the love he had for his family especially his mom.....
I will dearly miss just picking up the phone and hearing his voice.....
Rest in peace Timmy💕💕

“ I lived at Mount Erin right across the street from Tim up until last year. Tim worked with my dad on and off since the 1980's, they were good friends, and I grew up seeing Tim and spending time with him throughout much of my life. He built a shed for me on the property about 3 years ago, and the two of us chatted frequently and weekly ever since. I enjoyed his cooking, peppers, soups, and other items he'd make and would share with me when I'd stop in to see him for a visit. He was a kind and giving man and we'd laugh a lot. I'll miss him. My condolences to his family

“ I am so sorry for your loss. Louise and I spent many hours of our childhood at your house. I remember Tim was very kind and respectful toward us. Unlike some "big brothers" Tim never harassed us when we were playing with his sisters. May God give you the strength you need during this difficult time. Martha Entel

“ We met Tim over 20 years ago and hired him to work on two houses. He instantly became family and treated our kids like his own, bringing them donuts and handing out dollar bills. Tim was one of a kind and will truly be missed! Our sincere condolences to Tim's family.
