“ *I know it's been awhile... and the loss is probably always fresh in the minds of his friends and family. I was one of the witnesses at the scene who tried to free him... if any of his friends or family members are comfortable reaching out, I would love to know more about him and share what I witnessed those last moments. I'm so sorry for your loss and I know he is much happier and in a calmer place. Sincerely, Gail*

“ Todd was like my brother to me. He will be missed. My Condolences go out to Gerry and Paul and Paul Jr. I pray that y'all can find a way to except the plans that god had for Todd. He was able to live his life to the fullest and wouldn't want everyone to think different. He is now free and happy. Love Always & Forever, April O'Dell
