“ I had the pleasure of working with Toni and RC at RSL Andrews. Toni's pleasant demeanor and positivity were unmatched. Her bright light made our office so welcoming. I never heard her say anything negative, rather she was always encouraging! Tamatri and Rich were her world and she was so proud of all of their accomplishments. My prayers are with them as they mourn the loss of their parents. To be absent from the body is to be present with the Lord. May God comfort them in ways that only He can.

“ Although we didn't see each other as much as we wanted, Toni will be missed. She was such a good person to have in our lives and what a blessing it was to have known her. A good mother, a good wife, a good friend, a beautiful soul!

“ I met Toni through my cousin Nikki during her time at Hillcrest Community Center. It was always a pleasure to see her smiling face when I stopped through for a visit. I enjoyed the times we all hung out together. Though there are many memories and pics, the one photo I could immediately find was during her fundraiser at Aerosoles. She was raising money to become Queen Bee with her sorority. That was something new for me and we had fun trying on shoes. Toni was a joy to be around and her loving spirit will be missed.

“ I met Toni and RC when they worked on Joint Base Andrews. They were always a source of smiles and laughter. One of the source of smiles that I recall is the baby showers that she planned for my first daughter and another coworker's daughter. She made our daughters a soft cute baby blanket.

“ Like others, I met Ms. Toni working at the rec center (Hillcrest Heights) over 10 years ago. She was like my work mom and we would laugh about things that happened at work, talk about our highs and lows in life and share our numerous travel experiences. Even after I stopped working at the rec center in 2018 (after having my son), we still kept in touch. We texted on holidays and occasionally I would send her family pictures/videos so she could see my son grow up over the last four years. I am deeply saddened by the news of her passing as she was such a joy to be around and talk to, but I will cherish all of the memories we have together.
