“ *To Tracy my sister, what can I say aloud that my heart has not already said to you there in Heaven.*

“ *Jackie and Travis, I cannot say I know how you feel at the loss of a daughter or a sister. However, I can say I know the hurt of losing a niece, who was so young. She always had such a joy and happiness about her. She will be so missed and definitely not forgotten. I am glad she touched so many with her young life! It was great to see her at the Wheeler Crab Feast during the summer and hanging out with her as we toured the Cherry Blossom Festival! Such fun family memories! We love you guys. Let us know if there is anything we can do to help!*

“ *Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone. Those we love can never be more than a thought apart, for as long as there is memory, they'll live on in the heart. Our thoughts and prayers are with you. Steve & Jo Wright*

“ I was one of the hiring managers at Booz Allen who hired Tracy years ago. We brought her in as admin assistant, but she was such a quick study and clearly had skills beyond the immediate position that she moved up very quickly. I haven't worked with her in years but I would run into her every now and then and was always so glad to see her. She and I shared a love of music (Limp Bizkit, back in the day). I still consider her to be one of the best hires we ever made. I am deeply saddened to hear that she has passed away. My prayers are with all of Tracy's family. Jennifer

“ Jackie & Travis - Words are hard to come by to ease the sadness that we all feel with Tracy leaving us -- she may be gone but will never be forgotten - she lives in our hearts, mind and soul ... she made this world and OUR lives a much better place by being here . We love her forever !

“ Kay, I am so sorry to hear of your loss. I enjoyed the time that Joan and I spent with you and your children when we traveled back East. Tracy was certinally a bright young lady and seemed to have a bright future ahead of her. At least Tommy Sr.and Tommy Jr. will now have companionship where they are. If you need anything let me know. Carl

“ Jackie and Travis. I am still in shock that my Godsister is gone. She will never ever be forgotten. I am finding peace with the fact that I know she is with Tom and Tommy now. I am here if you need me. Love you guys.
