“ Big Steve, Steve and Lisa: We are so sorry for your loss. May you always remember and continue to share all the fun times you had as a family and find comfort in knowing she is remembering them too and smiling as she always did. We will surely miss her at Pulaski family gatherings.

“ Some of the fondest memories I have of my aunt were the times we had heart to heart conversations. She taught me to never give up and to never settle for anything but the very best out of life. She also instilled the thought process in me that anything is achievable if I have the heart and will to make it happen. Its this caring encouragement that I will always remember about her. I take great comfort in knowing that my Aunt Valerie is in a better place.
