“ *Ronnie was a cherished friend for many years. Her home going is bitter/sweet to us, and she will be greatly missed. We first met at Calvary Road Baptist Church forty some years ago. Over the years we spent many fun, as well as serious, times together! She loved to laugh and loved to give! She treated us, and our family, to more dinners and lunches than we can count; and was there to help us celebrate all of our children's weddings and our birthdays and anniversaries through the years! And, of course, made afghans for all 5 of our children and 21 grandchildren!*

*Ronnie became a very active member of First Baptist Church of Lorton when we had the privilege of serving the Lord there in the late 80s and early 90s. She did everything from helping to paint the nursery to singing in the choir! When we moved to Lynchburg, Va. in 1994 we continued our friendship through calls and visits back and forth . In 2005, when she was in her late 70s, she went with us on a mission's trip to Cyprus. We have more wonderful memories of her than we can take space to share! We look forward to the day when we will be together in heaven rejoicing and laughing together again. For Jesus promised, "I am the resurrection and the life. He who believes in Me, though he die, he shall live. And whosoever lives and believes in Me shall never die."*

*Our hearts and prayers go out to her family. May the God of all comfort, be very close to you at this time!*
