Jefferson Funeral Chapel - January 28, 2019 at 10:08 AM

“ *I'll never forget the first time I "met" Tori. I was sharing in a meeting and was very moved--to tears--by someone else's share. It hit me pretty hard and the next thing I know, Tori had her arms around me, comforting me. She didn't even know me, but extended a shoulder and a smile. Tori was very kind and compassionate and loved her daughter Danielle, her friends, and her kitties to pieces. I hope she is resting now, enjoying perfect health and happiness and ready to welcome us when it's our time. I'll miss you very much, Boo.*

“ *Tori was a good friend that I miss and will miss very much .I have many good memories from Tori and Mike, . over thirty years. More recent Tori cut my hair and always offered a good cup of coffee with chocolate and marshmallows . We would share our experiences strengths and hopes.*

“ Tori (and Mike) were both dear friends - in and out of the fellowship. To say that Tori's passing came as a surprise would be an understatement of the greatest magnitude. She helped many women in that program, and her spiritual wisdom was a help and comfort to all she met. God Bless, Ms. Tori. You will be missed by all who knew you. Rest in peace, finally cured. “ Tori was a beautiful lady, inside and out. They say, "only the good die young" and that is so true in Tori's case. She was my dear friend who made the world a kinder place by her being in it. I miss her every day and life will never be the same without her. Danielle and Tracy - know your mom and sister was much loved. You are both in my prayers. Sidney Robertson
