“ You will be missed, Mr. Vince! Many good memories of a beer or two and a chat in your driveway - usually after you mowed the lawn! You and Faye took the time to care about our family, especially our sons, Josh and Karl. I remember when you two went to one of their Little League games and cheered them on like they were your own grandkids. The motor you gave Karl for his go kart helped create some excitement in our little cul de sac (until one of the kids' friends crashed it into the curb anyway)!

Faye and family, you are in our hearts and prayers.

Rest in Peace, Vince. The Reed Family
