“ *Although we weren't able to spend as much time as we would have loved to with Grandma Kirby, we always felt her love. Our children were very fortunate to have such a great, Great Grandmother! She always made us feel loved and we will miss those holiday phone calls when the children get to talk to her but will always remember the conversations. Grandma was a wonderful woman and her memory will forever be cherished in our hearts. Here is a picture that we are fortunate to have with her.*

*“ Our life and love start with our Mother, and there are no words to console one during this loss. My sister Krista, adored her Mother-in-law, and Kirby has always been such a devoted and loving son. They will miss Virginia, and all the love and life lessons that they learned from her. I pray that they will find peace during the days that follow, and know that Virginia will always be with them.*

*“ A mother and grandmother is such a great loss, I am truly sorry. May you find comfort to deal with your loss in God's word where we find his future promises of a resurrection, no more death, pain, or suffering (Acts 24:15; Revelation 21:3,4)*

“ *The last time I saw Grandma Kirby was when she went to California when her daughter (Sharon) renewed her wedding vows. This was our opportunity to take the 4-generation picture that Grandma Kirby has hanging at her house. In it is Virginia Elizabeth Kirby, Sharon Elizabeth Borbon, Jill Elizabeth Przybylski, and Paradise Elizabeth Przybylski. Grandma Kirby wanted to hang-out with her grand-daughter Jill's family, and so we all drove up to Sequoia National Park to see the trees as wide as a house. Grandma Kirby really enjoyed just hanging out with her great grandkids and granddaughter Jill. And, we all enjoyed great Grandma Kirby very much, and thought she was really cool.*

*She would talk on the phone to her grand-daughter Jill every week. We are going to miss her very much.*

“ *My prayers go out to the Kirby family. She was one of the sweetest ladies I have ever known. My sister Krista was blessed to have her as her Mother-in-Law. She will be greatly missed.*

“ *Billy and I are saddened to hear of Virginia's passing but she was such a blessing to so many of us! She was always a bright light in any room she entered and I know she is so proud of Donald and Krista's commitment to her wishes. Prayers sent to the family.*

“ *Even though I never met Virginia, I knew she was a wonderful mother and mother in law from all of the kind words Krista always spoke of her at work. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts.*
