“ Knew Ginny in Antigo, we lived around the corner from each other. Also knew Ed from the AF Base in Antigo. Within the past few years were able to "keep in touch" via facebook. I was always hoping we'd get to see each other again. Ed, and family, I am so very sorry for your loss.

“ “Grandma Ginny” was a beautiful woman. She was always kind and supportive of me, even through very difficult times. I loved her and I am blessed to have had her in my life. I wish I would have told her how much she meant to me. Hopefully, I have a new guardian angel. 💕 - Wendy

I'm so sorry that Ginny is no longer here but will remain in our hearts. Many years ago she gave me a banana rack that I still use to hang my bananas. I think of her whenever I hang my bananas. I pray that your memories will bring you comfort 🌸

“ I met Ginny when her family moved to Arizona over forty years ago and we quickly became best friends. We were like sisters and she called me her "Sister Girlfriend." Over the years, we traveled together all over the U.S. and even Europe, when her family moved to Germany for awhile. Such great times we had! In recent years, we would sometimes spend entire phone conversations just laughing until we cried about some of our adventures. Ginny was an anchor for me and we were each others confidant, so her unexpected passing was a real jolt to me. She was such a fun, sweet and loving person to all. I feel so fortunate that I got to have her in my life as long as I did. She left her positive impact on this world and many wonderful memories. May Ginny rest in heaven now. With heartfelt condolences to the family...

“ Always enjoyed playing golf with Ginny at Fort Belvoir and missed seeing her there the past several years. She was a fun lady and we enjoyed some great "girls nights out". So sorry to learn of her passing. May all the good memories bring comfort to her family and friends.

“ I'm so so sorry to hear this news. I first met Ginny in a golf team match. I heard her talk and asked her, "Wisconsin or Minnesota?" We discovered that we were from the same area of Wisconsin. My condolences to all of Ginny's family and friends she has left behind.
