“ *I'll miss you grandpa. I'll miss your jokes, your gorgeous white hair, your card reading ability, the way you would look at grandma, your un-pressuring advice, the stability you brought to the family, the hope you gave us all, and most of all, your amazing smile that would infect a whole room with love and warmth. You have given so much and, whether you realized it or not, you have been such a role model to me throughout my life. I love you Grandpa!!!*
