“ *With heart felt sympathy to the immediate family, may God keep you and continue to bless you in all that you do. To my Cousin Peggy (Aunt Peggy), is what I like to call her because she felt more like a Aunt than a cousin, whom I've had the pleasure of sitting and chit-chatting with. Your warm smile and down to earth personality will truly be missed. I'm glad I found you. Taste the goodness of the Lord and see how sweet He is. To God Be the Glory. Love Sharon Riley and Family*

“ My condolences to all who knew and loved her. Even though I have not seen her or her family in a few years, I remember her to be a very personable and friendly person who was always smiling and seemed to enjoy life and her family. I will miss her warm smile, great personality and humor. May she rest in peace and may God continue to bless her loved ones.
