“ *I just learned of Wanda's death and wanted to share with her family how much I enjoyed both her friendship and hospitality over the years. While I was a photographer at The WHite House, Wanda opened her home to me many, many times when I was stranded in DC getting to and from a destination. She was funny and sparkling and a joy! After I left my employment there, I continued to enjoy her chats at the Variety Store fabric section. She will be missed there but know that she is checking everything out above and will have many stories to tell when we join her! Fondly, Mary Anne Fackelman-Miner*

“ Mom, you were the greatest person I ever knew. I will always love you and cherish your memory. I will spend my life knowing you are watching over me, and telling Madison and William how amazing their great-grandmother was. You are among the angels, and will be missed so much. Thank you for being the strong willed woman that I aspire to be. I will never forget you, and await the day that I see you again. Mom, I love you and miss you, I cannot say that enough times.

“ God's Garden God looked around his garden And found an empty place, He then looked down upon the earth And saw your tired face. He put his arms around you And lifted you to rest. Gods garden must be beautiful He always takes the best. He knew that you were suffering He knew you were in pain. He knew that you would never Get well on earth again. He saw the road was getting rough And the hills were hard to climb. So he closed your weary eyelids And whispered, Peace bethine. It broke our hearts to lose you But you didnt go alone, For part of us went with you The day God called you home.
