“ My condolences to the Jones family. Miss you guys, Don & Keith. I pray that God brings peace to you two and the family and friends of my (our) great friend Scott. My favorite memories include Scoob. I will never forget and pray he rested peacefully and is now happy and waiting to see all of us.

“ I hope Scott to have a peacefull crossover to the light. To join his Mother, Father (my best friend), his adopted sister, and all the ones he's ever loved that have left us here on earth...
I wish Don, Keith, and anyone else in the family the utmost of all blessings. I'm so very sorry for your loss. If you need anything that I can help out with, do let me know.
