“ *I would like to send my condolences to all the family. Pat, Jan and Billy I never got a chance to share with you how special Uncle Bill made me feel the times that I saw him. Even though I haven't spoken to him or seen him in quite some time, I will always remember the times we shared when he came out to San Diego to visit. I will never forget his distinguished voice when he would call to talk to daddy but would spend 30 minutes talking to me. Those are some little things but those are special memories that I will always remember of Uncle Bill.*

“ I have fond memories growing up as neighbors a few houses down from the your house. Not many people know their neighbors these days except to wave a brief hi. I'm glad we did more than that and am thankful Cheryl and I remain good friends. The Ahmed family extends a warm hug and heartfelt wishes of healing for your family. Love to you Mrs. Broady, Cheryl, and Bobby from Rubina, Sameena, Nadim, and Mr. and Mrs. Istiaq Ahmed.

“ We all should try to live our lives as if we are an example. Bill never knew that when he went to law school at retirement that he would be an inspiration to me years later. i remembered him when I decided to do my masters at age 50. Thank you Bill for inspiring me even though you did not know me. God bless and keep your family, you are safe and pain-free now

“ To the Broady Family, May each of you find comfort in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) He has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8) Take care,

“ Daddy, I was watching a fishing show not too long ago and they actually referred to a "dog-fish". Years ago we were all playing scrabble and I put dogfish and everybody just knew that it did not exist except for me. I did not have a chance to tell you about it. You made us kids expand our minds!! Love You, Jan

“ *I remember like it was yesterday going to get my driver's license for the first time and having anxiety about taking the written test. Dad had faith in me that I would pass the test the 1st time. And I will never forget how proud I was to pass and especially because you had faith in me. Calling all angels to watch over you.*

“ *Daddy, The many miles we put behind us, just you and me driving through the Rocky Mountains in Colorado and and singing our favorite songs, Brother Bill and Up up and Away. You were my role model and I was glad that I was able let you know that. Your life was storied and I will miss you.*

“ Dear family; Charlie and I are very sorry for your lost. I only remember meeting Mr. Broady once as kids, but that was enough to leave me with a lifetime memory. He was home visiting you and asked if you knew which President was on certain currency and if you guessed it correctly he gave that bill or coin. That left such an impression that I to did the same with my own children when they were young. May God keep you strong through this very difficult time.

“ God bless you dad. I am so fortunate to have been a part of your family. You accepted me as your son-in-law and I am very proud of that. The time we spent together was always fun. I remember when you and Carol took Pat and I to Atlantic City. What a blast that was. The round of golf we played at Ft. Belvior was one that I will always remember too. I hope and pray that you are renewed with a fresh strong body and spirit. Bless you and the family. Love Ray

“ Uncle Bill, I only wish we would have been closer. The times I remember are very valuable to me. You were a very accomplished man the last of the Broady brothers to survive. T only hope the next generation of Broady's learns that we have but a short time together and hopefully we will be in touch more than on occassions such as these. I am glad I spoke with you a month or so before you left us here on Earth. May you reunite with your Mother, Father, and Brothers in heaven. Love, Cindy
