“ *My familyâ€™s thoughts and prayers are with my Aunt Mamie, Deborah, Mark and their families. Living here in Portland, Oregon for the past 33 years, most of my memories of my Uncle Bumps are colored by my childhood visits to their home in Alexandria, though my wife Dana and our daughter Suzanne and I had the great pleasure of being guests with Mamie and Bumps in Williamsburg when Suzanne was a toddler. Bumps was a gracious host, and Dana and I were both struck by the lively and loving back and forth between Mamie and Bumps.*

My favorite memory of Bumps was at their Alexandria townhouse when I was a kid. He had trained his dog to run upstairs and fetch his slippers. If the dog didn't get the right ones the first time - the dog would dutifully take them back and fetch the preferred pair. What love and patience Bumps had! There has never been a time when I had no uncle Bumps and I am very sad that he has left aunt Mamie, her family and all of us. Rick Jaszczult
