“ *Dear Ingrid, Michael and Ryan, I can't even imagine what you are going through right now. I only know that time is a great healer in it's own way. Please know that my thoughts and prayers are with you. If there is anything at all that you need, or that I can do for you, please just let me know.*

“ *Ingrid and Michael, My heart goes out to both of you. From a related experience I know this is something that you never recover from and never forget but the pain will subside even if it never goes away. My thoughts and prayers go out to you. There is always a shoulder available if you need one. John*
