“ *Bill has been like a grandfather to our kids, Danielle and Ricky who, while in their late 20s, still consider him their adopted grandfather. He was there for them from when they were born and he will be missed very much. We loved him and love Libby and the family. Our thoughts and prayers are with you all. “ *Papa was very special to our whole family. He helped raise our three girls and spent many a night with David on Neighborhood Watch. He cared about his family, all the "Keenan kids" and his community and always had a story (or two or three) and a smile for everyone. He will be missed tremendously by all of us.*

“ *If every man were as worthy and respectable as Bill, all would have devoted family and friends to love and care for him in the end. Bill Keenan (and his family) touched many hearts. Peace be with him.*

“ *"Papa" was a big part of our lives. He was so patient with all of Mrs. Keenan's "kids" and they have lasting memories to hold on to. He was always a joy to chat with and was friendly to everyone. Libby and family, we are praying our Lord will comfort you and give you peace. Rest in peace, Bill.*
