“ *What a great person and family friend. I still remember our early days with APD in the 1960's when Bill was dispatching and I was on the PBX and Bob Dowling was on the front desk prior to civilians working in the PD, except for records, secretaries and the traffic bureau. We all had a great and enjoyable time together at work and with our family's. It was interesting that my family moved to Minnesota in 1972, the birth State of Bill's. God bless you Bill. You will surely be missed by all that had contact with you. Jim Hill*

“ *Dad, you were my absolute hero and I can't believe you are gone. I know you are with Mom and Bub now. My heart breaks every morning when it was the usual time to bring you your coffee and every night at 10 o'clock when it was time to turn the light off in your room. I am so glad that we got to spend every day together for the last 2 1/2 years. My life was a great one because of you and Mom and I am going to miss you more than I will ever be able to put into words. You're loving son, Doug.*
