“ *BJ , Bridget, Joe and Mark -- So sorry to hear of Joe's death. He was a great mentor to me early in my career at the FAA and we enjoyed staying in touch after he retired. He would always beam from ear to ear when he talked about what everyone in the family was doing, especially the grandkids. He loved you and was very proud of all of you. My thoughts & prayers are with you. He'll always be with you in your hearts.*
