“ *I am sorry to hear of your recent loss. I happened upon the obituary while searching our family genealogy online. My mother is Charlotte K. Jones, age 80 [of Salem, VA] and was William's cousin. We have been reading my grandmother's diary for 1930 and there are several mentions of "Billy boy" coming to visit on High Street along with his mother Marjorie. Would love to get in touch with your family..Is Georgia still alive?*
