“ *Dear Barbara, David and family, A note to say how sorry we were to hear of Uncle Bills passing. I have so many recollections of good times with Uncle Bill and all of you. We are all so fortunate to have enjoyed his company. He was always the life of the party, along with Aunt Terry! I mean the two of them harmonizing was spectacular. Uncle Bills stereo system was beyond belief! I know my mother always looked forward to his visits to Vermont. When he arrived at there Barre home she would get out her "to-do-list" and Uncle Bill would cheerfully fix things and often come up with ideas to make things better than expected! Again, our thoughts and prayers will be with you Barbara and David. Know that your Dad is in eternal rest and a life well lived. Take Care Love your cousin Peter, and Daughters: Annie, Molly, and Bridget Duff*

“ Uncle Bill, was a remarkable man, and friend. Whenever Uncle Bill, and Aunt Terisa entered a room there was always great conversation taking place. He would always spark laughter, and tell great stories. I will always remember the great times at Old Lyme Shores, and York Beach Maine. The times at the beach bring back fond memories, of all us cousins horsing around at the cookouts, and chasing the good humor truck. The games on the beach, and the card playing were always a great part of the summer fun activities. Uncle Bill, and all of us cousins will never forget those cherished memories. They are stored forever in our minds. I also can recall the time Uncle Bill brought his new Streamline trailer to Barre, Vt., for all of us Duff's to enjoy. He was proud of buying that rig. He also enjoyed his motorcycles. He was a man who could set-up a sound system that would blow your mind. I will miss you, Uncle Bill tremendously, and I just want to say thanks for all the good times. I had a lot of fun growing up with you, being a part of my life. It was always great seeing you at all the weddings, and family reunions. I will never forget you. My families hearts, and prayers go out to David, and Barbara Ann. Peace be with you Uncle Bill  
Love, Jim Duff

“ A "Gentle Giant" - so many fond memories, of cookouts in the back yard and vacations at the ocean... and great chili. It is a comfort to know that you are together with Terry, and at peace. Our thoughts, love and prayers are with Barbara, David and all of us who feel great sorrow at Uncle Bill's passing.
