“ My heart goes out to my family members. A great member of our family has been taken much too soon. To me, Uncle Yaqub was my "Uncle Leo" and I mean that in the most loving way. Anyone who watches Seinfeld will understand. Uncle Yaqub always entered a room full of enthusiasm and character and would greet you with a big "HELLO" and a swinging handshake. As a child I remember his frequent pop in visits to our home. I came to enjoy his company at an early age and always enjoyed seeing him when our paths crossed. He had a love for antique radios, something that connects me to him and my own Dad. While many don't get this hobby of ours, it was and is something that brings us joy and something that will always connect me to Yaqub and my Dad. While we have lost the familiar face/body we know as Jack, he always remains alive and well in our hearts and minds. God speed Uncle, you will be missed.
