“ I had not seen Aunt Yvonne in a few years, but when I saw her at Gilchrist she was full of love. I asked her if she remembered the time she came to my mom's house with her personal radio to listen to her country music. She danced around the backyard like it was her dancefloor. She told me if hospital staff @Gilchrist didn't view her as a liability and let her get up her hips still worked and she would wiggle and cut a rug. She did say she would go country line dancing with my mom IF the party was ages 60-65 no younger no older. I also showed her pics of my mom's grandkids and she said they reminded her of when Eric, Cynthia and I were little. When I told her my daughters name she said I have a Kaiya too. I cant remember Aunt Yvonne being a comedian, but did remember her liking to have fun. So I will remember her fun loving spirit and the comedy hour we shared on 11/25/11. I enjoyed my few hours with her, I really did. Be blessed family love you all!
