“ Kimberly, Melanie & Angela - I knew your Mom and Dad back in the early 1970s. Kimberly, I waited the 18 hours at the hospital with your family for you to be born. Somehow thru those years, your Mom & I lost touch with each other. I recently saw this obit & I was just heartbroken. I just couldn't believe that she had passed away. I would love to visit with you girls and your families. I have always had a special place in my heart for your mom and always wanted to see you all. I work at the Hoffman Bldg, & live in Stafford. I would love to hear from you guys. I hope that you check this space from time to time. Im sure this past year has been very hard. I would love to visit with your Grandmother also. She may or may not remember me. Im sure you all have grown into beautiful young ladies. My last name at that time was Harper and I lived in an apartment over your Mom and Dad's just off of Duke St. I can't begin to express how sad I was to learn of Zondra's passing. I was hoping to get by the cemetary today, but I didn't get up that way. My love and prayers are with you all and your families.
